

# NOTORIOUS

DANCE. PARTY. ROCK.

[www.notoriousrocks.com](http://www.notoriousrocks.com)

## WHO IS NOTORIOUS?

Notorious -- These accomplished rockers started out in the nightclubs of San Francisco and have grown into one of the countries most in-demand bands for high-end corporate events, fundraisers and weddings. They are a 6 piece, high energy band led by 2 spectacular vocalists; male and female. The diverse genres they perform have helped expand their appeal and fanbase as they play Madonna to AC/DC; BeeGees to Lady GaGa, hip-hop to rock, disco to new wave. This is a dance party AND a rock show wrapped into one costumed, fun, spirited package for you and your guests to enjoy. Decked out in hip, stylish retro outfits, this group has a great time on stage, and it shows -- you can't help but be infected with their boundless energy and positive vibes.

## WHO HAVE THEY PLAYED WITH?

Speaking of positive vibes, the band has a reputation for having celebrities join them on stage to surprise the audience -- and the list of lumaries who have joined Notorious on stage is nothing short of impressive. If you were lucky enough to be at the right party, Notorious has been joined on stage by the lead singers of Motley Crue, English Beat, Tiffany (like, seriously!), Flock of Seagulls, Deee-Lite ( Groove is in the heart!), new wave / synth-pop innovator Thomas Dolby, Naked Eyes (who doesn't love "Always Something There To Remind Me"?), Living Colour, and The Tubes, A few hip-hoppers who have stepped up the plate with Notorious include Tone Loc, Vanilla Ice, Digital Underground and even the creators of the first hip-hop song: Sugar Hill Gang. Catch a few videos on [notoriousrocks.com](http://notoriousrocks.com) (all stars). Notorious has also shared a stage with Earth Wind and Fire, Train, Colin Hay of Men at Work, Ozomatli and plenty of others. If you do have someone you would love to see with the group, and wish to discuss that option when exploring hiring the band, do feel free to contact our management here. Many folks have made their rock n roll dreams come true by augmenting Notorious with a few celebrities during a performance.

## WHO HAS HIRED THEM TO PLAY?

The band delivers their show with experience, professionalism and flexibility that is unique in the business -- and that has helped helped them solidify on-going relationships with Fortune 500 companies as well as notable international companies like Oracle, Apple, Yahoo, Cisco, Verisign, Bank of America, Chevron, Merrill Lynch, Citigroup, Verison, Genentech, Wells Fargo, Boeing, ABC Television, and Trader Joes. With glowing references and long list of happy clients behind them, Notorious continues to play internationally for large companies and young start-ups.

## WHAT ABOUT WEDDINGS?

The band has hundreds of weddings under their collective belt, and is please to offer up their services to you on your very special day! From the Caribbean, to the ski resorts of Utah to the estates of Napa -- Notorious and crew are happy to travel to you for big day. They were recently voted of the countries best "wedding bands" by Modern Bride, and have received mentions in numerous other top industry publications as a band of choice for the discerning wedding client. Notorious brings the strength of a very large song list, a diverse range of outfits to accommodate the look of the wedding, and an extremely experienced and profession sound crew to help design the ideal audio experience for you and your guests.
